Technical & booking advance

PRODUCTION / PERFORMANCE / TRAVEL

Production is confirmed for each event with SoundSpace management. Share the details below so the setup, schedule and logistics can be agreed for your booking.

01 / PERFORMANCE

Event date, city and venue; promoter contact; requested set duration, performance format and running order.

02 / DJ SETUP & PRODUCTION

Exact player/controller and mixer models and quantities; proposed alternatives; booth monitoring and PA; stage/booth dimensions, power provision, soundcheck and technical contact.

03 / TRAVEL & HOSPITALITY

For out-of-town bookings, share transport, transfer and accommodation proposals, arrival/departure times and the artist hospitality contact.

04 / BOOKING & PROMOTION

Offer, currency, inclusions and proposed payment schedule; recording plans, promotional artwork, photo credits and intended usage.

The final equipment list and any travel or hospitality terms are agreed in writing with management before booking. This brief does not specify an artist-approved hardware model or constitute a booking confirmation.
